## About St Patrick's Technical College

---

St Patrick's Technical College is a purpose built, multi-million dollar trade training school that offers a specialist trade focused SACE program and award winning apprenticeship training for Year 11 and 12 students.

St Patrick's specialises in developing individual programs for students who wish to complete their SACE in conjunction with a School-based Apprenticeship.

St Patrick's began operations in 2007 as the Australian Technical College – Northern Adelaide, an initiative of the Australian Government in partnership with the Catholic Archdiocese of Adelaide and the Northern Adelaide Industry Consortium. In July 2009, the College governance and ownership passed to the South Australian Commission for Catholic Schools on behalf of the Archdiocese of Adelaide, and the College began a new journey as St Patrick's Technical College within Catholic Education South Australia.

The teaching and learning programs at St Patrick's have been developed specifically to support the trades in which the College delivers pre-vocational training. Core subjects including Mathematics, English and Science are each taught in a context that makes them relevant to each specific trade / career pathway. These programs have been developed with significant input from industry and with the assistance of TAFE SA.

St Patrick's aims to create a real workplace experience for students. From the fully equipped commercial kitchen, specialist workshops and live building sites to the six weeks of structured work placements that form a key component of the teaching and learning programs, the College places a strong emphasis on the transition from school to work. The College embeds the subject of Workplace Practices across all courses assisting students in developing interview skills, resume writing and goal setting.

The College boasts a number of teaching staff that hold trade qualifications and have extensive experience in industry. In addition there is an emphasis on pastoral care with all staff participating in formal mentoring training aimed at assisting young apprentices.

### **Apprenticeships and Industry Partnerships**

St Patrick's Technical College works in collaboration with an extensive network of industry associations, employers, training providers and group training organisations to present opportunities for students to start their trade careers through School-based Apprenticeships. It is important to note that the School-based Apprenticeships at St Patrick's Technical College are unique. Due to the flexible approach the College takes to timetabling, St Patrick's students maximise their time spent at work engaged in paid employment and training with an employer enabling them to complete up to the first full year of an apprenticeship while completing the requirements of the SACE.

Whilst the College can't guarantee a student an apprenticeship, two out of every three students who has attended St Patrick's Technical College since 2007 has gained an apprenticeship during their enrolment.

### **Personalised Learning and Case Management**

Students develop individual learning programs that meet their aspirations, vocational goals and industry needs with support from the staff of the College. The College provides students with the support structures they require for success in their SACE as well as in their Vocational Education & Training (VET) and through their school based apprenticeship. Innovative and flexible methods of delivery enable students to meet their individual SACE requirements and to successfully engage in a school based apprenticeship.

The College offers training in identified areas of skill shortages. Specialist VET Training is offered through a contractual arrangement developed with TAFE SA. Students' learning programs are customised to maximize options for completion of the SACE, VET competencies as well as recognition for prior learning.

Successful students will graduate with their SACE as well as having the opportunity to complete a Certificate II qualification and/or up to the first year of their full trade qualification.

## **Our Catholic Ethos**

At St Patrick's Technical College, we believe in more than just the educational side of our students. Our teachers and teacher/trainers are very interested in a student's wellbeing and this comes from a strong commitment to pastoral care and mentoring that the College offers.

Our aim is to develop the whole person so that students graduate as well educated young people prepared for the world of work with entrenched worth ethic and values.

We are supported by Catholic Education SA, which brings with it a sense of virtues beyond the classroom. Those virtues inspire our teachers and teacher/trainers to engage with students, show interest in the student's life beyond the classroom and mentor them with other life issues they may be facing.

## **Mission**

St Patrick's Technical College ensures, within a flexible learning environment, the provision of skills training, education and mentoring for its students that will help them find and achieve their potential in a career which suits them and contributes to addressing skills shortages in the Northern Adelaide region.

Through a diverse, flexible and futures oriented response to learning, further education and training the College provides a foundation for students intellectual, physical, social, moral, spiritual and aesthetic development.

The College encourages students to achieve their full potential in their selected trade, in an industry experiencing skill shortages, while undertaking academic studies leading to the successful completion of SACE while keeping open the options for further study including university entry. By fostering the pursuit of excellence, the College equips students for their transition to lifelong and life wide education and training.

## **Vision**

St Patrick's Technical College provides the highest quality vocational and technical education and training, and contributes to the social, economic and environmental wellbeing of the young people and the community in the northern region of metropolitan Adelaide.

## Daily Timetable

---

Time	Period
8:00am – 8:45am	Lesson 0 (Off-line)
8.40am	School Day begins
8:45am – 9:00am	PC Group
9:00am – 9:55am	Lesson 1
9:55am – 10:50am	Lesson 2
10:50am – 11:10am	Recess
11:10am – 12:05pm	Lesson 3
12:05pm – 1:00pm	Lesson 4
1:00pm – 1:40pm	Lunch
1:40pm – 2:35pm	Lesson 5
2:35pm – 3:30pm	Lesson 6
3.30pm	Dismissal
3:30pm – 4:30pm	Lesson 7 (Off-line)

### Attendance Hours

- Normal College hours are 8:40am to 3:30pm
- Morning Pastoral Care (PC) Group begins at 8:45am
- Students may be required to attend am or pm 'off-line' lessons advised by Pastoral Care teachers:
  - am off-line lesson 8:00am – 8:45am
  - pm off-line lesson 3:30pm – 4:30pm
- Some particular courses may see lesson times extended into the early evening. These will be advised as necessary.
- Students arriving to school after 8:40am are required to sign in at the Student Services counter for the day.

### Attendance & Behaviour

---

At St Patrick's Technical College we expect a high standard of punctuality and attendance. We believe these are paramount to students successfully completing their training.

Students are not permitted to leave the College grounds without prior written permission from their parents. Students must sign out at the Resource Centre before leaving.

Students arriving after 8.45am must report to the Student Services Desk and sign in.

Students are not to use the main administration doors when arriving or leaving the College, they are to use the student access doors located near the student cafe area.

Students will not be permitted to enter the College unless they are wearing their full College uniform.

Notification of student absenteeism by parents should be telephoned through to the College as soon as practical. Prior to 8.15am, please leave a message on the College's Voicemail.

Parents/caregivers will receive a SMS from the College notifying them of any unexplained student absence.

Students are expected to abide by all College disciplinary policies and procedures.

# **General Information, Rules & Guidelines (A-Z)**

## Ambulance Cover at School

---

St Patrick's Technical College has an insurance policy with SA Ambulance that covers students for the cost of emergency ambulance transport resulting from accident or injury while participating in school activities.

This policy does not cover emergencies that are non-school related (e.g. pre-existing conditions like asthma, allergic reaction and epilepsy. It also does not cover emergencies out of school hours.)

College staff administering First Aid will continue to call ambulances if the circumstances warrant as they will always act with caution.

## BYOD

---

St Patrick's Technical College continuously seeks to be a leader in contemporary learning. We aim to empower students to achieve their personal best through a strong engagement with their learning by setting high expectations and providing relevant support.

BYOD (Bring Your Own Device) is a program where students bring a personal laptop / notebook / tablet to the College to use as their primary technological device. The College can provide the ability to connect compatible devices to a filtered Internet service during normal operational hours.

### Options

For families contemplating purchasing a device, the College has added a link on the front page of the website whereby families can purchase a robust laptop that meets the minimum specifications of the BYOD policy and carries a 3 year warranty.

Alternatively, local retailers such as Harvey Norman, Officeworks, JB Hi-Fi and the Apple Store Adelaide are examples of retail outlets whose staff are experienced with assisting families to choose a BYOD option that best meets the needs of students.

We recommend the following minimum technical specifications:

#### *Purchasing a new device*

1 GHz or faster x86-bit or x64-bit processor (CPU)  
4GB RAM  
128GB SSD drive  
Dual band Wi-Fi (2.4Ghz/5Ghz)  
6.5 hours actual battery life  
11.6" screen  
Physical keyboard  
Windows 8.1, Windows 10 or Mac OSX

#### *Bringing / using an existing device*

11.6" screen for portability  
Critical: 6.5 hours battery life (use the laptop for word processing and web browsing and actually test how long the battery lasts)  
At least Windows 8.1 (if a Windows device)  
Wireless connectivity  
Useable / comfortable built-in keyboard and mouse for extended use

Please see the *Bring Your Own Device: Information & Frequently Asked Questions* document previously distributed for further information.

## College Calendar

[www.stpatstech.sa.edu.au/events](http://www.stpatstech.sa.edu.au/events)

---

Over the summer break, the Events calendar in the Community section of the College website will be updated with all the key dates for the 2017 school year. If you have any queries regarding key dates for 2017, please refer to the on-line Events calendar first.

The link to the Community area of the College website is found across the very top of the College home page.

The College's official Facebook page will also list number of key events for 2017. 'Like' us at [facebook.com/stpatstech](https://facebook.com/stpatstech)

## Fees

### 2017 Fees Schedule

	Year 11	Year 12	
		Campus-based	Apprenticeship (SbAT)*
Tuition fee (per annum)	3 990	3990	1 300
Resource fee (per annum)	550	550	
Ready for Work	130		
<b>TOTAL \$</b>	<b>4670</b>	<b>4540</b>	<b>1 300</b>

#### \*SbAT - School-based Apprenticeship

The annual fee for students undertaking a School-based Apprenticeship / Traineeship (SbAT) on the College's standard SbAT program over the full year (i.e. 6 x SbAT weeks attendance) is set at \$1 300. For SbATs commenced during the College year, the Tuition Fee is adjusted on a pro-rata basis to reflect the proportion of the year spent as a campus-based student.†

The College has a number of alternate SbAT models in place to meet the requirements of the employers and industries we work with. These models also acknowledge that individual students move through the requirements of their South Australian Certificate of Education (SACE) at different rates.

Each SbAT model has its own discounted Tuition Fee structure based primarily on the number of days the student is required to attend classes and each has its own pro-rata formula to accommodate various start dates. The relevant discounted Tuition Fee structure will be outlined as part of the process of a student entering into a SbAT Contract of Training.

† Please note that adjustments to the year's Tuition Fee are not made when a SbAT is commenced during Term 4.

#### *Trade specific additional costs*

- Excursions / Industry visits
- Significant individual projects

#### *Payment options*

Fees are payable by cash, cheque, credit card, BPay, EFTPOS or Centrepay deductions, either:

- in full by 3 March 2017;
- in three equal instalments by 3 March (Term 1), 2 June (Term 2) and 1 September 2017 (Term 3); or
- in fortnightly instalments, to be finalised by 1 September 2017.

#### *Students exiting the College during the year*

If a student leaves the College during the year, signatories to the Contract of Enrolment are responsible for fees owing up to and including the remainder of that term. The Tuition Fee will not be charged for terms not yet started.

#### *Students enrolling during the year*

If a student commences at the College during the year, signatories to the Contract of Enrolment will be charged the Resource Fee plus an adjusted Tuition Fee calculated on a pro-rata basis reflecting the proportion of the year the student is enrolled.

## Fee Assistance & Scholarships

---

### School Card Scheme (SCS)

The School Card scheme offers financial assistance with educational expenses for students attending government and non-government schools. The scheme is administered by the Department for Education and Child Development.

#### Eligibility

School Card is available to:

- families with children aged 4 years and over who attend a school full-time
- independent full time years 10 or 11 students who are studying six subjects
- independent full time year 12 students who are studying five subjects
- adult re-entry students undertaking DECD funded subjects at a government school.

#### Income limits

Income limits for applications lodged in 2016 - based on the family's gross income in 2014/2015.

Number of Dependent Children	Gross Annual Income Limit	Gross Weekly Income Limit
1 child	\$37,015	\$712
2 children	\$38,025	\$732
3 children	\$39,035	\$752
4 children	\$40,045	\$772
5 children	\$41,055	\$792
More than five children	Add \$1,010 for each child	Add \$20 for each child

*PLEASE NOTE THAT THIS IS NOT THE CRITERIA FOR 2017 AND SHOULD BE TAKEN AS AN EXAMPLE ONLY. THE INCOME LEVELS WILL CHANGE FOR 2017.*

As most school card applicants are eligible for Centrelink benefits, verification of declared income has been sought from Centrelink. The criteria for the 2017 School Card Scheme will not be advised to the College until late January 2017. If you believe you may be eligible for School Card next year you can pay your fees at the current School Card rate when you complete your application. For current School Card families you are required to re-apply each year that you are eligible. If you fail to apply we are unable to adjust your fees accordingly.

Please contact the College Administration after 16 January 2017 for the 2017 criteria and application forms.

### Scholarships

A number of scholarship opportunities are available for students seeking an education at St Patrick's Technical College. Details of these including eligibility criteria and application processes can be found on the College website in the *ENROL* section.

### First Aid Training

---

First Aid Training will be completed on Wednesday 1 February during Orientation Week.

Any student who has already completed their First Aid Training within the last 12 months is required to provide a photocopy of their certificate to reception prior to Orientation Week otherwise they will be required to complete the training again.

## Food & Drink Facilities

---

Students have access to vending machines, microwave oven and hot water at recess and lunch breaks.

A mobile lunch van visits the College at recess and lunch breaks daily.

## Graduation Dinner

---

Year 12 students and families will receive an invitation mid-year to attend the St Patrick's Technical College Class of 2017 Graduation Dinner to be held at the Adelaide Convention Centre on Friday 17 November 2017.

## Lockers

---

All students will be allocated a locker. Students must provide their own lock.

## O Week

---

'O Week' for all Year 11 students commences on Tuesday 31 January 2017. The week is designed for students to create friendships, meet and interact with teaching staff and gain an insight to trade.

The week commences at 8:40am with students to gather on the basketball court wearing their St Patrick's Technical College campus (blue) uniform.

During this week, students will also meet their Pastoral Care Teacher who will distribute timetables, as well as familiarise the students with the school and assist them in gaining access to the College IT systems, lockers and library access. During this time, the Pastoral Care teacher will also explain and familiarise all students with the relevant policies and procedures of St Patrick's Technical College.

## Reporting & Parent / Teacher Interviews

---

### Term 1

Reports posted home – 13 April

Parent / Teacher Evening – 9 May (Term 2)

### Term 2

Reports posted home – 7 July

Parent / Teacher Evening - 1 August (Term 3)

### Term 3

Reports posted home – 29 September

### Term 4

Following the last block of Work Experience placement, all Year 11 students will be required to come into the College for a short meeting with their Pastoral Care teachers. Parents/caregivers are most welcome to attend these meetings.

During this meeting, students will be given their end of year school report which includes both their Term 4 SACE results and their Semester 2 VET report. Students are required to submit at this scheduled meeting - their final work experience evaluation form from employer, and the Year 11 school and subject clearance form (given on the last day of school) at the time school report is collected. Reports will not be posted home.

## Parent Access Module (PAM) & Parent Teacher Online (PTO)

### PAM

St Patrick's Technical College is beginning to implement the *Parent Access Module* (PAM) of our College internal information system, SIMON. PAM enables parents to access information about their child's academic progress as well as information about the various events and activities held at the College.

As parents/caregivers, PAM will provide you with access to the student daily bulletin, College calendar, your child's timetable and information about homework and assessment tasks. PAM will also be where you can access copies of students' mid-semester reports, however, it is worth noting that at present hard copies of theses from St Patrick's will still be posted home at the end of each term.

PAM can be accessed at the following address: <http://pam.stpatstech.sa.edu.au>

### PTO

*Parent Teacher Online* (PTO) will be implemented as the College's online booking system for Parent/Student/Teacher interviews which will occur during term 2 and term 3. Interview times will become open for booking once reports have been posted home.

The College will issue families with a username and password.

## Resource Centre / Student Services Hub

---

The Resource Centre is open from 8:15am – 4:30pm (Including school holidays) and will be open to students during recess and lunch breaks.

All money must be paid to the Resource Centre – it is not an expectation of teaching staff to collect money from students during mentor group or class.

### BORROWING RESOURCES

At some stage students will need to borrow laptops, video cameras, still cameras, audio recording devices and other multimedia equipment from the Resource Centre. Please be aware that students cannot borrow any of this equipment without a student ID card.

All items that are borrowed must be returned to the Resource Centre. If an item is not returned and checked back in by the Librarian, the student will be charged for their replacement.

If the Librarian or another teacher is not at the returns desk, students are asked not to leave any items on the counter. In the unlikely event that another person takes the item, the student will still be responsible for the replacement of the item. Instead, keep the item until the Librarian can check it back in.

### PHOTOCOPYING

Students have an allowance for printing that should last the whole year for the purposes of school work.

Students are required to pay for photocopying once their allowance has been exhausted, students can purchase via cash to any amount, or if using EFTPOS with a minimum of \$10 in one transaction. Charges are set out below:

Per page cost	Black & White	Colour
A4	10c per copy	50c per copy
A3	20c per copy	\$1.00 per copy

The default printer is located in the Student Services Hub. It is both a black and white and colour printer and can print A4 and A3 sizes double sided. This printer also acts as a colour scanner. See the Student Services staff for help with scanning.

Students must enter a five digit pin-code in order to photocopy. This number will be issued by the Student Services staff. Treat this pin code as if it were your bank card pin number. Also remember to log out of your copy code before leaving the machine.

## SbATs – School-based Apprentices & Trainees

---

For students already engaged in a School-based Apprenticeship or Traineeship (SbAT), your decision to make the move to St Patrick's Technical College to undertake your SACE will require some personal, employer and school management throughout Years 11 and 12.

As a SbAT you are officially recognised as a full-time student and a part-time apprentice. Importantly, the unique program for SbAT's at St Patrick's means you will spend much more time at your employer than at school. Provided you follow the College program and complete your relevant subject requirements, at the end of Year 12 you will graduate with your SACE and already in full-time employment and up to the first year of your full apprenticeship completed.

In order to fulfil the requirements of your SACE, and to comply with the rules for your employment as an apprentice, your employer will also need to release you for training at your Registered Training Organisation (e.g. TAFE, Training Prospects, etc.) during negotiated apprenticeship availability times.

SbAT students and/or employers should inform the College if there is any particular reason that you are not available to return to the College for a designated SACE week. An alternate period for you to return will then be negotiated\*.

### SbAT WEEKS

Term 1 / Week 2	Monday 6 February	Friday 10 February
Term 1 / Week 11	Monday 10 April	Thursday 13 April
Term 2 / Week 4	Monday 22 May	Friday 26 May
Term 2 / Week 10	Monday 3 July	Friday 7 July
Term 3 / Week 5	Monday 21 August	Friday 25 August
Term 3 / Week 10	Monday 25 September	Friday 29 September

**\*PLEASE NOTE THAT YOU ARE REQUIRED TO ATTEND SCHOOL EVERY DAY FROM MONDAY 6 FEBRUARY TO FRIDAY 10 FEBRUARY.**

This week sets in place your program for the entire year. During the week you will be assigned a mentor to manage your work placement and SACE progress throughout this year, your SACE commitments will be clearly explained and you will be photographed for your student ID card. School starts at the normal time of 8.40am every day and you are required to wear your blue campus uniform.

## School Photographs

---

2017 School Photographs (including ID card portraits) will be taken during Week 2, Term 1. All students will have their individual portrait taken in a relevant workshop / trade situation and have their class / group photo with their entire trade group (e.g. Automotive). Students will be required to wear their trade uniform on this day. Package information and costs will be distributed accordingly.

## Student ID Cards

---

Once a student has been issued with their student ID card it is important that they have their card with them at all times. They will need to present their ID card at the Resource Centre whenever they need to borrow a laptop or other resources. For public transport concessions, please note that cards issued in 2016 are valid until the end of February 2017 and should therefore be retained until the 2017 card has been issued.

## Student Support Services

---

Student support services, including a counselling services and a career advisor, are managed by the College Coordinator.

The Pastoral Care Teachers play an integral role in the success of your child at St Patrick's Technical College and should be the first point of contact in the event you need to make contact with any of your child's teachers. The Pastoral Care Teacher will help liaise between yourself and your child's subject teachers, and if ever the need arises, facilitate any meetings

In addition all teachers / mentors provide students with individual support and guidance.

## Stationery / Booklists

---

Included in this package is your 2017 stationery order form. Booklists must be completed and returned to Champion Education no later than **Thursday 15 December 2017**.

Campion accepts credit cards or money orders as payment. Credit cards will be debited as the orders are processed by Champion. Cheques will not be accepted. Book orders may be placed online at [www.campion.com.au](http://www.campion.com.au) where credit cards will be debit immediately, you will require the ID code (found on the front of the book order form) to place your order online.

For Booklists returned by the due date, book packs will be delivered to a nominated address 1-2 weeks prior to school commencing on Tuesday 31 January 2017 (Year 11) or Monday 6 February 2017 (Year 12). You can nominate your home or business address or a neighbour/relative's address if you are going to be away during the delivery period. Please note that the delivery dates for book packs do vary depending on the delivery method, post code area and when the order was lodged.

### Continuing Students

Continuing St Patrick's Year 12 students should use their existing stationery supplies from their previous year, taking care to replenish items that are required.

## Telephone Charges

---

Students are required to pay 50c for phone calls – except when a parent is to be contacted due to student illness.

## Transport

### STUDENT SET-DOWN / PICK-UP ZONE

To alleviate traffic congestion around St Patrick's Technical College at the start and end of the school day, we use a designated student set-down / pick-up zone at the rear of the College.

A MAP IS PROVIDED BELOW SHOWING THE DESIGNATED ZONE AND INDICATING THE DIRECTION OF TRAFFIC FLOW.

This drive through area on the College grounds provides a safe zone to load and unload students off the surrounding streets and away from nearby businesses.

Staff members will be on duty at the beginning and end of the school day to ensure that the area is being used safely by students and drivers alike. Please note that the entrance gate to the zone will be closed at 8.40am\*. They will re-open well ahead of pick-up times in the afternoon.

In order to assist in the smooth running of the student set-down / pick-up zone, drivers are encouraged to move on quickly when loading or unloading students. This zone is not a car park - it is intended to keep traffic flowing.

Students who are being picked up at the end of the school day will be instructed to meet near the zone. On wet days, the covered area adjacent to the main school building provides adequate vision to the zone so that students are able to wait in a dry area.

\* Students arriving late to school (i.e. after 8:40am) can be dropped off immediately outside the College Administration. They will be required to sign in at the Student Services counter for the day. Access for students arriving late is via the student cafeteria.

## **PUBLIC TRANSPORT**

For those students using public transport we recommend use of the **Adelaide Metro – Plan My Journey** website. This will help students plan their travel arrangements getting to and from the College.

You can access this website at [www.adelaidemetro.com.au/planner](http://www.adelaidemetro.com.au/planner)

## **DRIVING EXPECTATIONS**

Students are provided with car parking facilities. Permission to park in the College car park may be denied for traffic breaches when driving in and around the College.

The College does not encourage students travelling to and from the College with other students.

Any student travelling as a passenger with another student on an excursion must have written consent from their parent / guardian.

A detailed description can be found in the Information, Rules, Policies and Guidelines (A-Z) section of this booklet, Student Code of Conduct pages 28 – 31.

## **Unique Student Identifier (USI)**

---

The Australian Government Department of Industry has created a national database of all enrolments in Vocational Education and Training (VET) from 1 January, 2015. This includes Certificate, Diploma and short courses like the St John First Aid course.

In order for your enrolment to be added to the national database, you will need to provide us with a Government allocated Unique Student Identifier – a USI. Without this number, you are unable to enrol in this course and obtain your certification.

A USI is a unique alpha-numeric number that is unique to each student in the VET system. The number will allow VET students to keep a history of their results from all VET training they do, from all providers, in one location.

### **How do I get one?**

The USI is FREE and is obtained by logging on to the Department of Industry's USI website at [www.usi.gov.au](http://www.usi.gov.au). Here, you can enter the required information and the system will generate you unique USI.

You will need to have your identification ready – one of the following:

1. Driver's Licence (Australian)
2. Medicare Card
3. Australian Passport
4. Birth Certificate (Australian)
5. Certificate of Registration by Descent
6. Citizenship Certificate
7. Immicard

### **I have a USI. What do I do with it?**

Now that you have your USI, complete the form included in your enrolment pack and return to the College so that we are able to keep this on file. We will use this to enrol you into your St John's First Aid course during Orientation Week, as well as in any other courses you may complete while at St Patrick's Technical College.

If you need any further information, please contact the College Registrar, Mrs Carol Lee via email at [clee@stpatstech.sa.edu.au](mailto:clee@stpatstech.sa.edu.au) or at the College on (08) 8209 3700.

## Uniform

---

The main purpose of the uniform should be seen as helping each student develop a sense of belonging and solidarity with the community. For this reason, it should be worn with a sense of pride, which also necessitates attention to personal grooming. On the following pages, please find the College's *UNIFORM GUIDELINES* that outline when and how the different elements of the uniform should be worn.

### **How to order your uniform (NEW STUDENTS)**

You will receive an individual uniform order form. The uniform items are of specific brands, codes and colours with unique embroidery and screen printing setups and so therefore may only be purchased from Totally Workwear Salisbury (TWW), the College's exclusive uniform supplier.

Families are required to visit TWW during regular opening hours for a fitting sometime during the month of November and December. See page 4 of this booklet for opening hours and contact details.

### **Paying for your uniform**

TWW requires a minimum deposit of \$300 when placing your uniform order and full payment of any balance at the time of collection. Please note, once ordered, your uniform order cannot be broken up. TWW are happy to receive incremental payments prior to collecting your complete uniform order. This can commence prior to your fitting appointment if required.

### **Ordering Deadline – Saturday 10 December**

Due to the numbers of items and custom printing / embroidery required, it is imperative that orders are placed by no later than Saturday 10 December. Delivery of items ordered after this date cannot be guaranteed for the start of the 2017 College year.

### **Second-hand Uniform items**

St Patrick's Technical College or TWW DO NOT offer a second-hand uniform service. Families are free to make their own private arrangements with regards second-hand uniforms with past students / families.

It is NOT recommended that elements of the trade-uniform are bought second-hand.

Please note that the team at TWW Salisbury does not make the rules regarding the St Patrick's Technical College uniform. They are strong supporters of our College and offer an outstanding service to our community. They are there to assist you in purchasing those items that the College has deemed it necessary for you to purchase. They are not authorised to make any exceptions to the College's uniform guidelines and operate their service to you under our instructions. Therefore, if you have any queries regarding the uniform guidelines, these should be directed to the College, not to staff members at TWW.

### **Topping-up your uniform**

Totally Workwear can supply items of uniform throughout the year. Please allow some time for ordering and embroidery of items.

## **UNIFORM GUIDELINES**

### **Campus Uniform**

- The Campus Uniform is suitable for all general activities undertaken whilst a student is at the College as well as being compliant with any workplace a student is likely to visit.
- Black leather / leather-style lace-up shoes with plain black socks are to be worn with the Campus Uniform. Shoes worn with the Campus Uniform are expected to be kept clean at all times. Sports style or soft leather shoes are not acceptable.
- A plain black belt with plain buckle is to be worn at all times with the boys Campus Uniform.
- In all circumstances except for those outlined below, students are to wear the Campus Uniform.
- The College backpack is a compulsory element of the uniform.
- Optional Sunsmart headwear items are available.

### **Trade Uniform**

The St Patrick's Technical College Trade Uniform is to be worn on designated trade training days, as notified in the student timetable and/or by staff, and includes items compliant with WH&S regulations.

- The Trade Uniform may be worn to and from College on the designated trade training days (except Food & Hospitality).
- Trade Uniforms are specific to each trade program.
- Black safety shoes / boots are to be worn with the Trade Uniform (except Food & Hospitality and Hair & Beauty where the Campus Uniform footwear is acceptable). Totally Workwear offers a 10% discount on their range of compliant safety footwear to St Patrick's Technical College students.

### **Food & Hospitality**

- Food & Hospitality students are not permitted to wear their Trade Uniform to and from College or TAFE SA for hygiene reasons. They are required to change into Trade Uniform at College or TAFE SA on their designated trade training days.

### **Hair & Beauty**

- Hair & Beauty students wear their Trade Uniform at their training days at TAFE SA and on days designated at the College.

### **Work Placement / Work Experience**

- Students attending work experience or apprenticeship work placements will have their uniform requirements outlined to them by their host employers.
- St Patrick's Technical College students may be eligible for discount on employer specific clothing and safety equipment purchased from Totally Workwear and other designated suppliers (as advised) upon presentation of their student identification card.

### **Personal Grooming**

- Hair must be kept in a clean, neat and tidy manner. Hair longer than top of the collar length must be tied back, (i.e. pony tail) so as not to allow it to fall on to the face. Unusual cuts / styles (e.g. rats tails, shaved heads, patterned cuts) are not permitted.
- Students are to be clean-shaven at all times.
- Jewellery should be inconspicuous, except for:
  - bracelets of a "medic alert" or similar type;
  - items with religious significance for students actively involved in religion;
  - a wrist watch.

- Plain stud earrings worn in the ear lobe/s are acceptable.
- Any other earrings, nose rings, eyebrow rings, other facial or body piercings are not permitted.
- No visible tattoos.
- Excessive make up, nail polish or unnatural hair colouring is not permitted.
- Undergarments are not to be visible beneath the College uniform (e.g. t-shirts)

## YEAR 12 JACKETS

Each year the College supports Year 12 students who wish to mark their years spent at St Patrick’s Technical College with a commemorative item of clothing. This item is not a part of the official College uniform nor is it compulsory to purchase. However it is one way in which we are happy for students to display their pride in the school and camaraderie among their classmates.

Ordering of these jackets is undertaken during Term 4 by Year 11 students in preparation for the following year.

## Using Personal Electronic Equipment

---

Mobile phones must be turned off whilst attending College classes and trade training. iPods and similar mp3 devices may be used in certain circumstances. Students will be advised by teachers in these cases.

Inappropriate use of College electronic equipment and/or facilities (e.g. email, internet, intranet, etc.) may lead to suspension or expulsion.

## White Card Training

---

White Card Training will be completed prior to students commencing their first block of work experience.

Any student who has already completed their White Card Training is required to provide a photocopy of their White Card to reception prior to Orientation Week otherwise they will be required to complete the training again.

## Work Experience

---

Work Experience is an integral part of the St Patrick’s Technical College Work Ready Skills program.

It provides the opportunity for students to:

- Experience their trade choice;
- Develop skills for the workplace; and
- Gain feedback from an employer about their general employability skills such as attitude, work ethic, punctuality, problem solving abilities, communication and teamwork skills.

Previous experience has shown that a significant number of students have been offered School-based Apprenticeships by employers following successful work experience placements.

Six work experience blocks have been scheduled for Year 11 students, and five blocks for Year 12 students:

### Year 11

Block 1	Mon 10 Apr	Thu 13 Apr	Completed forms due 29 Mar	<input type="checkbox"/>
Block 2	Mon 22 May	Fri 26 May	Completed forms due 10 May	<input type="checkbox"/>
Block 3	Mon 3 Jul	Fri 7 Jul	Completed forms due 21 Jun	<input type="checkbox"/>
Block 4	Mon 21 Aug	Fri 25 Aug	Completed forms due 9 Aug	<input type="checkbox"/>
Block 5	Mon 25 Sep	Fri 29 Sep	Completed forms due 13 Sep	<input type="checkbox"/>
Block 6	Mon 27 Nov	Fri 1 Dec	Completed forms due 15 Nov	<input type="checkbox"/>

## Year 12

Block 1	Mon 10 Apr	Thu 13 Apr	Completed forms due 29 Mar	<input type="checkbox"/>
Block 2	Mon 22 May	Fri 26 May	Completed forms due 10 May	<input type="checkbox"/>
Block 3	Mon 3 Jul	Fri 7 Jul	Completed forms due 21 Jun	<input type="checkbox"/>
Block 4	Mon 21 Aug	Fri 25 Aug	Completed forms due 9 Aug	<input type="checkbox"/>
Block 5	Mon 25 Sep	Fri 29 Sep	Completed forms due 13 Sep	<input type="checkbox"/>

If experiencing difficulty in securing a work experience placement in these blocks, students should consider using their school holiday breaks as alternative (or extra) work experience opportunities.

Advanced planning for work experience is strongly recommended. This planning could include:

- Being proactive in approaching employers for work experience opportunities and then follow-up phone calls, emails, faxes, etc.
- Ensuring the St Patrick's Technical College *Workplace Learning Agreement* is fully completed including all relevant signatures (employer, parent and student). This document is available for download at: [www.stpatstech.sa.edu.au/community](http://www.stpatstech.sa.edu.au/community)

Students are encouraged to seek work experience with employers who are known to support Australian School-based Apprenticeships and/or are in need of apprentices. The *Careers* supplement in *The Advertiser* on Saturdays is an ideal starting point.

Any student having difficulty identifying a suitable employer for work experience or require further information regarding the College's work experience program should contact the College.

# **Student Related Policies**

## Student Driver Policy

---

### Rationale

St Patrick's Technical College is committed to ensuring accountability of students to their parents, as well as the College, by fostering a safe and responsible environment for students. Driving to school is a privilege extended to appropriately licenced students. Licensing and associated student mobility must be taken seriously and permission will only be granted by the Principal following a signed agreement with the parents / guardians and student.

Student mobility is often a factor that may help determine employability and loss of licence can often lead to the termination or suspension of an apprenticeship,

### Objectives

The policy outlines the responsibilities and procedures associated with the privilege of driving to school.

### Policy Details

1. Students are required to adhere to all road rules and drive in a safe and responsible manner.
2. Students may only park in the designated student parking area. They must, at all times, follow stipulated rules, signage directions and instructions given by staff on duty.
3. Students who have to leave the school grounds for any reason during the day must have written permission from their parents / guardians. This must be shown to the Principal (or their delegate) before they are allowed to leave the College. They must also follow the protocol of signing in and out at Reception.
4. The details, including make, model and registration, of all cars driven by students must be recorded with the College. This includes multiple entries for those who have access to more than one vehicle to drive to and from school.
5. Students are not permitted to carry other students as passengers to and from school without the written permission of their parent / guardian and the parent / guardian of the passenger. These passengers must be listed along with consent on the *Application to Drive a Vehicle to School* form of the driver concerned.
6. Student drivers, a parent / guardian and, if relevant, the parent / guardian of any passenger, must sign the *Application to Drive a Vehicle to School* form of the driver concerned.

### Roles and Responsibilities

Student drivers must adhere to the conditions set out in the *Application to Drive a Vehicle to School* form at all times. Students who fail to meet these conditions will be suspended from parking on school grounds for a period of time as determined by the Principal (or their delegate). Any unsafe driving behaviour or breaches of road rules may be reported to SAPOL.

These requirements are intended to ensure the welfare and safety of students and maintain a positive image of the school in our local community.

### Monitoring, Evaluation and Review

This document will be reviewed every two years. Changes in legislation, Catholic Church Policy and St Patrick's Technical College Policy may necessitate earlier review and subsequent amendment and reissue.

### INTRODUCTION

St Patrick's Technical College is committed to providing an environment in which students feel safe. Feeling safe means students are at ease and comfortable in their surroundings, protected from harassment, bullying and discrimination while attending the College, registered training organisations or work sites associated with their training.

### DEFINITIONS

Bullying and Harassment is behaviour that is repeated, systematic and is directed at an individual that a reasonable person, having regard to circumstances, would expect to victimise, humiliate, undermine or threaten and which creates a risk to health and safety.

Discrimination is unjust and unequal behaviour based on race, age, physical and intellectual impairment, sexuality, sex, pregnancy, marital status, sexual harassment and victimisation

#### Examples of bullying, harassment and discrimination may include:

- being treated differently to others based on the aspects listed above
- threatening or causing fear
- fighting
- insulting
- sexual harassment
- name calling
- unpleasant jokes
- showing offensive material
- cyber bullying i.e. transmitting offensive or inappropriate information via computer social networking pages (e.g. Facebook, You Tube, etc.)
- sending offensive text messages, and/or emails
- spreading rumours about a person
- ridiculing a person and/or their sexuality
- deliberately isolating a person

#### Bullying, Harassment and Discrimination can result in:

- feelings of being embarrassed, unhappy, frightened, unsafe, lonely, angry or physically ill
- an inability to concentrate, work or sleep
- a loss of self-esteem
- a deterioration in relationships with staff, family and friends
- confusion and an inability to know what to do about the problem
- an unwillingness attend school or work placements

### EARLY INTERVENTION

It is important to identify and take action on any bullying, harassment and discrimination that occurs at the College or at a work placement facility at an early stage. Failure to notify empowers the perpetrator to continue the offensive action thereby compounding and exasperating the problem.

Every student therefore has a responsibility to report any incident of harassment and/or bullying as soon as it occurs to a teacher or staff member. Teachers and/or staff are to take immediate steps to ensure the harassment and/or bullying stops and any conflict is resolved. Failure to do so will almost certainly be considered to be a breach of our 'Duty of Care responsibilities under Occupational Health Safety and Welfare, law.

Additionally, discrimination that is not addressed may breach the *Australian Human Rights Commission Act 1986* and associated Commonwealth Acts and / or the *South Australian Equal Opportunity Act 1984*.

Parents should notify the College as soon as they become aware of any bullying, harassment or and or discrimination that has taken place to enable appropriate action to be taken.

## **NOTIFICATION AND ACTION**

### **Mandatory notification**

All registered teachers and staff members are obliged by law to report physical, sexual or emotional abuse of young people who are less than 18 years old.

### **Who to see**

Your Pastoral Care Teacher/Mentor, Student Counsellor, Vocational & Careers Counsellor, Education & Training Manager, or relevant contact person at TAFE SA, Registered Training Organisation (RTO) or in your place of employment can help you.

### **Possible consequences**

Inevitably there are occasions when students do not play their part in providing a safe environment and discrimination free environment. Mediation meetings with the Student Counsellor, Education and Training Manager or Principal or relevant contact person at your place of employment, TAFE SA or RTO are the favoured means of encouraging suitable behaviour.

Ongoing or serious bullying, harassment, or discrimination could result in suspension or being asked to leave the College. In some more serious cases police may be notified.

### **What can you do about harassment or bullying?**

*Appendix 1 - Bullying, Harassment or Discrimination Options*, outlines the steps that should be taken if confronted with a bullying, harassment or discrimination situation.

APPENDIX 1

BULLYING, HARASSMENT OR DISCRIMINATION OPTIONS

### POLICY

This Code of Conduct has been formulated to provide a clear statement of St Patrick's Technical College's expectations of students in respect of academic matters and personal behaviour.

Students of St Patrick's Technical College are representatives of the College and, as such, are expected to conduct themselves in an ethical and responsible manner at all times when involved in College activities.

Students represent the College:

- When traveling to and from the College;
- While attending formal classroom studies;
- When attending Registered Training Organisations (RTO) for training sessions;
- While undertaking 'on-the-job' training with an employer.

The College recognises and values the diversity of student experiences and expectations, and is committed to treating students, both academically and personally, in a fair and transparent manner. All students, in return, are required to comply with the requirements set down in this Code of Conduct.

The College reaffirms its commitment to:

- High academic standards, intellectual rigour and a high quality education;
- Intellectual freedom and social responsibility;
- Recognition of the importance of ideas and the pursuit of critical and open inquiry;
- Tolerance, honesty and respect as the hallmarks of relationships throughout the College community; and
- High standards of moral behaviour based on Christian values.

All students are required to be aware of and act consistently with these values.

Every student receives a copy of the *Student Code of Conduct* and is asked to make a personal, written commitment to the contents and philosophy by signing a hard copy which is kept in the student's personal file.

Failure to abide to the conditions set out in the policy may result in disciplinary action with major breaches leading to possible expulsion from the College.

Students who have problems or any issues that need resolving while attending the College are encouraged to use the procedures identified in policy number 5.9 - *Student Grievances*.

### GUIDELINES

#### 1. Relationships

The quality of relationships is crucial to successful learning. At St Patrick's Technical College all members of the College community are expected to foster harmonious interpersonal relationships by:

- Being courteous and considerate to others at all times;
- Co-operating and complying with reasonable requests from others; students, staff and other authorised people;
- Positively contributing to the culture of the College through co-operative actions, understanding, tolerance and empathy;
- Communicating with students, staff and visitors in a respectful manner, using polite language and tone;
- Keeping our College community free from harassment, aggression and violence. All forms of harassment (sexual, verbal, racial, physical, intellectual) are totally unacceptable;
- Assisting visitors to the College and being courteous to them.

## 2. Learning and Attendance

St Patrick's Technical College programs are success oriented. Parents and teachers provide guidance and support for adolescents and young adults who are developing greater independence.

Students need to demonstrate their intention to learn through their attitude and approach to their studies by:

- Accepting responsibility for their own learning and seeking help when needed;
- Arriving at lessons on time, with all materials and equipment;
- Working efficiently in the classroom and completing set work punctually;
- Respecting the rights of other students to learn and teachers to teach;
- Completing set homework punctually;
- Using computers responsibly for learning purposes and abiding by the Student Computer Usage Policy;
- Attending school regularly and punctually;
- Attending every scheduled lesson including Supervised Study;
- Obtaining written permission to leave the College premises.
- Providing a written note of explanation from parent/guardian for lateness and absences, at the time of return to the College;
- Reporting to the Administration Centre if late, signing out from the Administration Centre with parent permission to leave e.g. for an appointment;
- Attending work placement and/or VTE sessions punctually and applying oneself diligently to all tasks given to the best of your ability.

*Note: Students suspended or excluded from the College are not permitted to attend the College or College related functions at the discretion of the Principal.*

## 3. Environment

Students are expected to be environmentally responsible by respecting the College environment and seeking to improve it through:

- Respecting property belonging to themselves, others, or the College, including all teaching and learning materials and resources;
- Conserving energy, materials and resources by switching off appliances when not in use, not wasting materials, and re-cycling materials as often as possible;
- Preventing all forms of pollution and property damage through caring for property and the environment and preventing and reporting:-
  - littering
  - graffitiing
  - thieving
  - vandalism
  - consumption of food, sweets, chewing gum or drink in the buildings;
- Remaining out of the buildings before 8.40am, during recess and lunchtimes, except with permission from a teacher.

Valuable items should be left at home.

## 4. Safety

All students have the right to learn in a safe, caring and orderly environment. Students are expected to accept responsibility for the safety of themselves and others at all times by:

- Following all safety regulations in each area of the College and work placement venues;
- Wearing and using Personal Protective Equipment (PPE) as prescribed;
- Familiarising themselves with Fire and Emergency Evacuation regulations and procedures and participating in regular fire/evacuation drill exercises;
- Using all equipment in a responsible manner;
- Avoiding and preventing violence and threats of violence, bullying and fighting;
- Not possessing potentially dangerous items such as; knives, guns, sling shots or any other potentially dangerous items;
- Keeping personal possessions, including educational books in the allocated locker;
- Not taking bags into classrooms or leaving them outside the locker or classrooms;
- Keeping the College “drug free”;
- Not smoking while on College premises.

### COLLEGE UNIFORM

All students are to wear full College uniform at all times while attending the College or VTE training sessions. This includes while in transit to and from the College.

Clothing to be worn while attending work placement sessions at an employer’s work site is to be negotiated between the employer, Education and Training Manager and student.

### LOCKERS

- Students are provided with a locker. They need to supply their own locker keys and give one key to their home group teacher;
- Students must not interfere with others' lockers or padlocks;
- Theft is a serious matter and if detected will result in prosecution, suspension or exclusion;
- Bags are to be kept in the locker and not to be taken into classrooms, or left outside the locker or classroom.

### LUNCH

- Students are not permitted to leave the College grounds for lunch. A mobile lunch service attends the College daily at recess and lunch.
- Students are encouraged to bring their lunch to College. Microwave ovens and other kitchen appliances are provided for student use.

### BICYCLES

- Bicycles must be walked through the College grounds.
- Students are only permitted in the bike racks for the purpose of leaving or collecting their bike.

*Note: Skateboards are not permitted at College.*

### STUDENT DRIVERS

- Students are provided with car parking facilities. Permission to park in the College car park may be denied for traffic breaches when driving in and around the College.
- The College does not encourage students travelling to and from the College with other students.
- Any student travelling as a passenger with another student on an excursion must have written consent from their parent / guardian.

## DRUGS

St Patrick's Technical College is an illicit drug free zone. All students are expected to take positive action to prevent and avoid any drug related activity at the College. Passing any drug related information on to an adult is the appropriate and responsible action. Students must not ingest any illegal, or any non-medically prescribed drugs, or alcohol. Students must not bring to the College, have in their possession, while in College uniform, on College property, or on any College related activity, any paraphernalia which may be related to drugs, including matches, lighters, papers, pipes, or other such items, equipment or substances. Students must not offer to sell, or sell to other students any drug, including alcohol, marijuana and cigarettes. Students must not be in the company of other students who are involved with any activity, related to drugs or alcohol, indicated above.

Students may be required to provide appropriate evidence that they are not under the influence of any prohibited substance before participating in practical activities or work experience.

## MOVEMENT

Students need to move in an orderly manner at all times and in all areas of the College, keeping to the left in corridors and on the stairs. Students need to:

- Use the computer room and library/resource centre in an orderly manner;
- Exercise care when walking through the car park areas;
- Keep at least 5 metres from the fence and within the permitted areas of the College;
- Walk bicycles through the College grounds;
- Travel to and from College and move to and from bus stops in a safe and courteous manner.

## CONSEQUENCES FOR BREACHES OF THE STUDENT CODE OF CONDUCT

Consequences that may be implemented at varying levels, depending upon the frequency, intensity, generality and durability of student conduct breaches Policy Procedure Behaviour Education 5.2, are:

- Staying in class during break times;
- Being kept in after school hours;
- Performing school community service;
- Attending after school detention;
- Internal suspension;
- External suspension;
- Expulsion (in extreme cases)

In any given situation a student will be able to have an opportunity to have a break for recess and lunch and access toilet facilities or seek assistance as required for their safety and well-being.

Parent notification is encouraged at all levels but must be ensured if after school detention, internal or external suspension or expulsion is considered.

## RELATED COLLEGE POLICIES

- 1.1 - Ethos and Charter
- 5.2 - Behaviour Management
- 5.4 - Duty of Care / Health, Safety and Welfare
- 5.5 - Anti-harassment and Anti-bullying
- 5.6 - Drugs
- 5.9 - Student Grievances

### INTRODUCTION

St Patrick's Technical College can make reasonable rules about what students can and cannot bring to College. St Patrick's Technical College can ban anything which is illegal, dangerous or is likely to cause disruption or harm to the smooth running of the College and the education of other students.

The use of mobile phones, iPods and similar mobile electronic devices in class is disruptive to the learning environment of all students and should be discouraged. Students wishing to use these devices in special circumstances should negotiate arrangements with relevant College staff.

St Patrick's Technical College accepts that parents / guardians give their children mobile phones to protect them from everyday risks involving personal security and safety. There is also ever-increasing concern about children travelling alone on public transport or commuting long distances to College. It is acknowledged that providing a child with a mobile phone gives parents reassurance that they can contact their child quickly at any time.

The College will regularly advise students, parents and carers of their expectations in respect of these devices. They should also be reminded that no liability will be accepted by the College in the event of the loss, theft or damage of any device unless it can be established that the loss, theft or damage resulted from the College's negligence.

The College has developed a policy that provides guidelines for the appropriate use of mobile phones during College hours.

There are times when it is genuinely appropriate and beneficial for students to have access to a mobile phone. Students may, for example, need to contact parents in emergencies or to confirm or change a collection time after College. Mobile phone use should be restricted to times of genuine emergency.

### POLICY

1. Students at St Patrick's Technical College will TURN OFF all mobile phones during lessons.
2. Mobile phones with cameras should be used responsibly. The Privacy Act protects students from having their photograph taken without consent.
3. Parents/guardians are reminded in cases of emergency, the Administration Office is a vital and appropriate point of contact and can ensure a child can be reached quickly and assisted in any appropriate way.
4. Students are only permitted to use their mobile phones before or after College or at official break times (i.e. recess and/or lunch).
5. Appropriate action will be taken against any student who photographs or films other individuals without their consent, downloads and displays inappropriate material including pornographic images or who sends harassing or threatening text (SMS) or multimedia (MMS) messages.
6. Students should ensure that their mobile phones are always stored in a safe and secure place.
7. Mobile phones are used at their owner's risk. No liability will be accepted by the College in the event of the loss, theft or damage of any device unless it can be established that the loss, theft or damage resulted from the College's negligence. Parents/guardians and students should ensure that mobile phones are properly and adequately insured as personal property.
8. This policy also applies to the use of mobile phones during work placement and/or Vocational and Technical Education (VTE) training, excursions, or other off campus supervised activities.
9. The Mobile Phone "Student Agreement", included as part of this policy, is to be signed by both student and his/her parent/guardian on commencement of attendance at the College.
10. Mobile phones may be collected and stored securely during lessons at the discretion of the teacher.

## CONSEQUENCES

1. If a student is in breach of the Mobile Phone Policy he or she will be dealt with through the standard discipline guidelines of the College's Behaviour Education Policy.
2. A staff member may hold the phone for the duration of the lesson (ensuring its safety).
3. A student may be banned from bringing a mobile phone to College; parents will be contacted immediately to enforce this ban.

## RELATED COLLEGE POLICIES

- 5.2 - Behaviour Management
- 5.4 - Duty of Care / Health, Safety and Welfare
- 5.5 - Anti-harassment / Anti-bullying
- 5.11 - Student Code of Conduct
