ABOUT STPATSTECH

St Patrick's Technical College is a purpose-built, trades and technical training school for students in Year 11 and Year 12.

At StPatsTech students study a nationally-accredited technical qualification while completing the South Australian Certificate of Education (SACE). Our fully integrated courses mean you do not sacrifice your high school education while undertaking vocational training, either through one of our certificate courses or through our School-based Apprenticeship program.

All subjects at StPatsTech are specifically written with your technical training in mind. Our strong ties to industry ensures you are studying highly practical and relevant skills wanted by local employers.

WORK READY SKILLS

StPatsTech is focused on helping you move into the workforce. Our *Work Ready Skills* program gives you the edge when it comes to applying for a job.

- > Self-management
- > Communication
- > Planning and organising
- > Problem-solving
- > Teamwork

THE STPATSTECH DIFFERENCE

- > Direct industry support and input
- > 6-weeks of work experience per year
- > Extensive *Work Ready Skills* program
- > Flexibility and support for students and employers
- > School-based Apprenticeship experts
- > State-of-the-art workshops / facilities
- > Trade-qualified teachers / trainers

TAFE SA is responsible for the quality of accredited training and assessment provided and is responsible for the issuing of all qualifications and statements of attainment.

The St Patrick's Technical College Automotive program prepares students for a career in the automotive servicing industry as an apprentice light or heavy vehicle mechanic.

Your program covers the practical skills and required theory for the servicing operations of brakes, steering, suspension, engines, transmissions, batteries and wheel balancing.

The program also provides an introduction to other automotive industry trades including paint and panel, auto-electrical, parts interpretation, outdoor power equipment and small motors.

Industry SACE

- > Essential Mathematics

School-based Apprenticeship & Traineeship (SbAT)

Our apprenticeship program is the only one of its kind in South Australia. We allow you and your employer maximum flexibility so you both get the most out of your SbAT.

In Year 12 you can spend more than 40 weeks full-time with your employer in paid work. This means completing up to the first year of your apprenticeship at the same time as finishing your SACE with support from the College.

StPatsTech School-based Apprenticeships automatically upgrade to full-time apprenticeships after graduation.
